**HOOVER CITY COUNCIL CANDIDATE  
MIKE SHAW DECLARES RUN FOR SEAT FOUR**

**HOOVER, AL** - Hoover City Council candidate Mike Shaw announced his intentions for qualification on July 1st, 2016. Qualifying takes place between July 5th and July 19th. The election will take place Tuesday, August 23rd.

“After much consideration, research, and input from friends and supporters, I have decided that I will file for place 4 during qualification next week,” says Shaw. “When I make this kind of important decision, I stick with it. I’m really excited to turn the corner into this next phase of the campaign.”

Shaw, Chief Technology Officer for Mutual Savings Credit Union, also holds a degree in Public Administration. Much of his research and energy has been spent looking at the top ten cities in Alabama. Hoover sets a standard for many cities in our state, however, Hoover is the only city in the top ten without a comprehensive city plan.

“My team and I have visited thousands of homes. I’ve met many amazing people and I’ve found tremendous support for my call to create a comprehensive plan for Hoover. Our citizens are ready to come together as a community and create that vision,” states Shaw.

Shaw has served in several capacities within the Spain Park Feeder zone, including the Superintendent’s rezoning committee, Rocky Ridge Elementary and Berry Middle School Dad Brigade and the SPSHS Band Boosters. Acknowledging the lack of cooperation between the city and the school board is central to his campaign. “It’s time to restore that cooperative relationship between the city and school system. Hoover citizens, young and old, love Hoover City Schools and I want to be a council member that reflects and represents that.”
